

Tualatin Valley Water District

JOIN TVWD'S "GOLD PROGRAM" TO HAVE YOUR BACKFLOW ASSEMBLY TESTED AUTOMATICALLY

For your convenience Tualatin Valley Water District (TVWD) provides a backflow assembly testing program for residential customers and stand-alone irrigation accounts. You may choose to have TVWD arrange for your backflow assembly(s) to be tested annually by a certified tester.

Per Oregon Administrative Rule 333-61-0070 and District Rules and Regulations all approved backflow prevention assemblies must be maintained and tested at least annually to protect the public water system.

If You Choose This Option

- TVWD will schedule your assembly(s) to be tested for a fee of \$35 each
- A testing fee of \$35 per assembly will be added to your water bill each year that you participate in this program
 - The testing fee includes repair costs up to \$50
 - Customer authorization is required prior to completing repairs exceeding \$50
 - All repair costs that exceed \$50 will be the full responsibility of the customer
- The \$50 credit will be applied towards repair costs only when repaired by a TVWD contractor
- Upon completion of the test, the test results will be left at your door
- When an appointment or access is needed to test the assembly, the customer must make the assembly accessible within 14 days of initial contact

If you choose not to enter this agreement, you are responsible for scheduling your backflow assembly to be tested annually. For a complete list of state certified testers please visit <https://public.health.oregon.gov>

Eligibility Requirements

- Applicants must be a Tualatin Valley Water District or a Valley View Water District residential customer with a current water account in good standing. **Business, Industry, Government and Multi-family customers are not eligible at this time.**
- All backflow assemblies must be located on a residential property where the water is provided by TVWD.
- All backflow assemblies must be 2" or smaller in diameter.

How To Apply

To apply for this program, please complete the form on the back and return it to:

By Mail	Electronically
Tualatin Valley Water District Attn: Backflow Program 1850 SW 170 th Ave Beaverton, Oregon 97003	E-mail: backflow@tvwd.org

Backflow Prevention Assembly Information
Assembly Address (if different than mailing):
Location on Property:

I certify the information I have provided is true and correct. I grant Tualatin Valley Water District permission to schedule and authorize a certified backflow tester to enter the property listed above to test the backflow prevention assembly to assure program requirements have been met.

By signing this agreement I choose to voluntarily enter into this TVWD backflow assembly testing program which I understand will include a \$35 fee (per assembly) to be added to my water bill upon completion of an assembly test. I also understand that if the repair cost of my assembly exceeds \$50 it is my responsibility to pay for any additional repairs when repaired by a TVWD contractor. By signing below I understand the terms of this agreement will continue until I contact TVWD to remove myself from the program or I move. If I am a property owner not currently listed on the water account, I am responsible for working out payment with my tenant.
